5. BLO: 4sc, 1ch, turn, BLO: 4slst, 1slst on the next stitch of the green disc. FO.

*After you have finished, turn the wing with the right side of the green disc.*

Sew the wings on the body.

Glue the plastic eyes on the head, 7-8 sc between them or embroider them with black yarn.

Tie a black thread between the eyes as in the photo and glue the two threads together, after you have cut them to the right size.
